
FALL 2024

Minoa Library Newsletter

As temperatures dip and leaves change to brilliant colors, some new and exciting programs for adults are coming up this fall. See dates and times below.

If you enjoy crafts, the library is offering a number of free evening craft programs for adults. Fall Wreaths, paper pumpkins, holiday ornaments...check out the dates below to register. We're thrilled to have Minoa residents Diane Shafer, Cheryl Beebe, Mary Beth Billy and Debbie Crossman among our crafting instructors.

Guitarist Frank Arcuri of Minoa joins us on Saturday, October 5 at 1pm playing the hits and taking lots of requests.

Also coming up this fall is the return of the 6-week Fall Prevention Program. With the icy and slippery months just around the corner, learn how to make your home and surroundings safer from falls. This free class is taught by occupational therapists from the Center for Aging Resources at Lemoyne College.

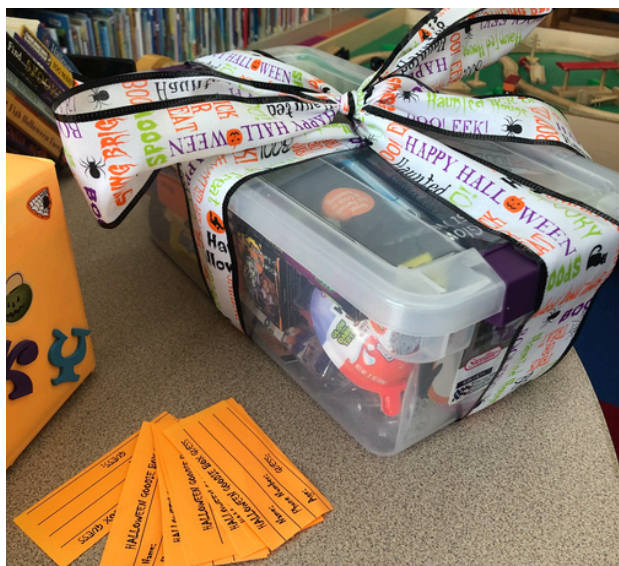

Registration is required for the programs below due to space limitations. Register at minoalibrary.org Calendar and Registration:

- Adult Crafting Series @ 6:30-8pm: September 19/Fall Wreath, October 10/Paper Pumpkins), October 24/Frosted Votive Holder, November 6/Seashell Ornaments, December 4/Diamond Art Ornaments

- Fall Prevention Program: October 4 @ 12:30-1:30 pm, 6-week program

Book Donation Update

Do you have some books to donate? The library now accepts one bag or box at a time of adult fiction, hard or soft cover. We also accept children's books in good shape. The Rescue Mission Thrifty Shopper in East Syracuse accepts larger donations. Thanks for understanding the library's space limitations.

The library's exciting annual Halloween Goodie Guess starts October 1 for kids aged 4 to 12. Can you guess how many candies and small toys are in the box? The child with the closest guess wins the entire box on October 30.
